Also in case 825cv434 the six women I filed against I believe all had abortions with my child, because they would have come out as Jewish. They conspired under chapter 18 - 241 to slander me to have an excuse to have these abortions, lying calling me a "Sex offender", when I have no sexual misconduct on my criminal record, and N.D.C.S. employees have been motivated to target me such as Grant Jensen, a Behavioral Case worker, and other state employees. These lies on me spread like wild fire, but nothing can ever be proven nor can it stand up in a court of law even if I were to be challenged. my entire claims circulate Invidious Discrimination of racial discrimination and disability rights discrimination chapter 42-1210. For relief I request The South Street Temple to pay me \$750,000.00 dollars for targeting me as a Jew by other Jews. I request the lead rabbi to resign from his position, I request for Relief of coordinators of Religion "Rucker and Rubin colburn to resign in their duties at N.D.C.S. And to pay me \$100,000.00 a piece for their actions.

I request for the Federal court to take notice, I am not perfect but I have tried to follow Jewish laws in a prison that surrounds argumentative employees and inmates against my race who think they know, what a Jew is better than me, when I am Jewish.

I even grew my curly beard out and hair long to show my Jewish features. For (relief) I also want to be recognized by the Jewish Prisoner Coalition in Washington D.C. to list me as a survivor of hate as I stood up against this hate of other non-Jewish races for many years. I also want it known that I spoke to Muslims who have told me their race is separate than Religion. Jew and Muslim are two separate systems. Corporal Runge and SGT. Fiser claim they are the same. I want them both seen as racist, by the Jewish Prisoner Coalition, and Grant Jensen seen as racist by the Jewish Prisoner Coalition, and Rucker and Colburn seen as racist by the Jewish Prisoner Coalition, who I wrote in April and in May of 2025. I know they received at least one of my letters. I want it known I am seeking to be remembered as a Jewish member →

of the Jewish Temple for my acts of bravery for which I have spent years targeted by other races in prison and in life, in general by my adoptive family who brain washed me into being German, and believing that I am German, when I am Jewish. Even Nazis recreated documents and altered documents of the Jewish people in world war II that was adopted by Hitler's idealism, that others adopted. It wasn't one person who target Jews it was massive amounts of people who did this. Hitler couldn't of killed 6 million Jews single handed, by him-self, physically. That is against all laws of physics and Science. Yet that is the argument these officers bring up when they argue with me. to be clear if a Jew created Christianity then Christianity belongs to the Jewish people, everyone else is a guest or follower (hence) the word Gentile. The Bible is excluded for Jews, as race and religion. making Jews the chosen people, or race like myself, which is why I believe other races have targeted me, causing psychological trauma or physical trauma, of some kind; leaving me scared, with slander and lies mixed in the hearts of others. →

Jews have been a race since the beginning, So have, Arabics, Africans, Asians, Anyons, whites, blacks, ext. But Jews are the only race with a religion directly connected to slavery, and their blood line; Jews survived slavery to become the center of the world even until this day. It's clearly on the news of the Holy war, and kingdom against kingdom; my race my blood is Holy, making me a more hated person based on jealousy by other races I am surrounded around causing me more injustices in life. Hence all my law suites. The star of David is a symbol of my race, the covenant, and many other things attached to it. Every Jew is a star shining in the eyes of God. Please! Grant my claim:

Relief: Jewish temple pay \$ 750,000⁰⁰;

Relief: Rucker and column pay \$ 100,000⁰⁰

Relief: Grant Jensen be fired from NDCS(§); remembered as a racist man as with SGT- Fisser, and co Rungie.

Relief: For me to be remembered by the Jewish Prisoners colalition as a stand up Jew who dealt with bias hate my entire life. Relief: For All 6 women in case 825 cr 434 to be shamed, and sentenced to prison for aborting my child over slander.

These 6 women I believe should be sentenced to prison for at least 5 years in a state or federal institution to be an inmate, until every day is finished.

Please "Proceed To Service" on all listed women of USM-285 Summons, with the US marshals office, for sentencing.

I hope for my adopted mother to go to prison for life, for her direct actions that messed up my entire life, and destiny. For not letting me be Jewish and for telling me lies thru out my life. To have her summons as well by the us marshals office.
